## ACKNOWLEDGMENTS

All praises to Allah SWT for his guidance throughout the process of research to complete this thesis successfully also praises are upon the greatest Prophet Muhammad SAW who set us in the right way.

I would like to express sincere thanks and appreciation to people that help me in the process of making this thesis. Especially, to Mrs. Santi Prastiyowati, M.Pd, and Mr. Alimin Adi Waloyo, M.App.Ling. as my thesis advisor, who guides me all this time. It was a great privilege and honor to work and study under their guidance.

I am extending my heartfelt thanks to my parents for their love, prayers, and sacrifices for educating and preparing me for my future. Lastly, thanks to a little circle of people around me during my college life who always encourage and pray for my success.

This paper is not perfect because it has many shortcomings, both in terms of content as well as systematic and technical writing. Therefore, any suggestions and constructive criticism for the perfection of this paper are needed. Hopefully, this paper can provide benefits to the writer and readers.

Malang, April 11<sup>th</sup>, 2020.

Tania Tansy
